

April 5, 2020 Notice from Town Chairman

"We encourage anyone with public input to contact by phone or letter, any board member prior to the meeting. Any input will be added to our meeting notes. We need to meet to pay our bills and plan for the roadwork necessary this year. As always, any meeting is open to the public. BUT, during this time of social distancing we ask that you keep in mind the age of your board members. Contracting CoVid 19 will place anyone of them in peril. Group size will be limited to 10 people. Thank you for your cooperation.

As of now, the scheduled annual meeting will be called into order on April 21, 2020 and immediately adjourned to May 19, 2020 to conform with State Statutes. If we cannot yet meet on that date, we will not reschedule until it is safe to do so. The annual report will be available on our website and copies will be made available at the town hall when social distancing is cancelled, permitting larger meeting groups to resume."
